Proquest Education Database:

Subject Coverage: adult education, elementary education, higher education, home schooling, secondary education, special needs education, teacher education

Subject term = learning styles

Use email, print, cite, save options to keep track of your research

The screenshot shows the Proquest Education Database interface. The top navigation bar includes links for Basic Search, Advanced Search, Publications, and Change databases. A search bar with the placeholder "Enter search terms..." is present, with a callout bubble stating "Select **Advanced Search** to access more search options." Below the search bar, there are checkboxes for "Full text" and "Peer reviewed".

The main content area features a description of the database's scope, a "Coverage: 1988 - current" note, and a "View title list" link. A callout bubble highlights the "Subject coverage" section, which lists the following categories:

- Adult education
- Elementary education
- Higher education
- Home schooling
- Secondary education
- Special needs education
- Teacher education

Below this, a section titled "Also part of" indicates that the database can also be searched as part of "ProQuest Central".

The right sidebar contains a "Want to Learn More?" section with links to online help, product support center, and contact support. A "Search tip" section is also present.

The bottom section shows the search results for the query "su(learning styles)". It displays "1,464 results" and a list of search results. A callout bubble points to the "Subject" column in the results list, stating "Scroll down to **Subject** to find all subjects within this results list." The results list includes titles, authors, and publication information for several articles.

JSTOR Database:

Digital library of academic journals, books, and primary sources related to Arts and Sciences. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform.

Use *Advanced Search* and scroll down to expand/select Education journal titles

The screenshot shows the JSTOR database interface. At the top, the 'Education' category is selected, showing 173 titles. A green callout bubble points to the 'Education' checkbox with the text: 'Select **Education** or a specific journal title.' Below this, several journal titles are listed, including 'Academe 1979 - 2015', 'AAUP Bulletin 1956 - 1978', 'Bulletin of the American Association of University Professors (1915-1955) 1915 - 1955', 'Academy of Management Learning & Education 2002 - 2013', 'American Annals of the Deaf 1886 - 2017', 'The American Biology Teacher 1938 - 2015', 'American Educational Research Journal 1964 - 2015', and 'American Journal of Education 1979 - 2015'. The search bar contains the text '(grade repetition)'. The 'Refine Results' section on the left is circled in green. It includes filters for 'Content Type' (Journals, Book Chapters), 'Publication Date' (From, To), and 'Subject' (African American Studies, Anthropology, Architecture & Architectural). The main search results area shows 'Showing 1-25 of 5,336 search results'. The first result is a journal article titled 'A Study of Grade Repetition in the Elementary Schools of Louisiana' by John E. Cox, published in the Peabody Journal of Education. The second result is 'Single Mothers' Employment Dynamics and Adolescent Well-Being' by Ariel Kalil and Kathleen M. Ziol-Guest, published in Child Development. The third result is 'Physical access to schooling in South Africa: mapping dropout'. Each result has a 'Download PDF' button, a 'Save' button, and a 'Cite this Item' button. A green circle highlights the 'Download PDF', 'Save', and 'Cite this Item' buttons for the first result. A green arrow points from the 'Refine Results' section to the 'Browse' button in the top navigation bar.
